Membership at Pardes Levavot is pledge based. We will not turn away anyone based on finances. We ask all members to pledge \$100 per month. We greatly encourage and appreciate if you are able to pledge more. If you are unable to afford \$100 per month, we will not question your pledge and will warmly welcome you into our family. Your donations allow Pardes Levavot to continue our unique work: with our member families, with the greater Boulder Jewish community, and our deep ecumenism reaching out beyond traditional boundaries. Thank you for your generosity!
